

# Parkit.

Our aim is to **ease congestion** through providing **alternative parking** solutions.

A resource-sharing solution to parking availability in the city.

Turn your vacant parking space into a supplementary revenue stream by renting it out to other users.

Alternatively, connect with those offering parking spaces to find cheaper parking in the city.

- 1 Download the app.
- 2 Sign up to offer or rent a parking space.
- 3 Connect with other members to negotiate pricing.
- 4 Find your perfect park, an extra income stream, or even both!
